

# Hahn Asks Program for Free Coliseum Tickets

Supervisor Kenneth Hahn, other who lease the Coliseum president of the Los Angeles Memorial Coliseum Commission, has appointed a special committee to develop a program to provide 10,000 free tickets for youth from disadvantaged areas at each Coliseum event.

Hahn pointed out that the Coliseum seats 93,000 persons and is rarely filled.

He suggested that the unfilled seats could be allocated to youth groups through the schools, Teen Posts, the YMCA, and Boy Scouts. Coaches, teachers, and youth leaders would be asked to accompany groups of youngsters.

"I AM ASKING the R.A.M.s, USC, UCLA, American Legion (Fireworks Show) and all

to cooperate in this program," Hahn said.

Hahn named to the committee Rafer Johnson, Lawrence E. Houston of Los Angeles City Schools, Frank C. Wykoff of Los Angeles County School, the Rev. Dan Towler, and Stanley Brummel, a Coliseum commissioner.

THE PROGRAM grew out of a discussion between Hahn and Rafer Johnson, a former UCLA and Olympic star, while attending a track meet, they saw 20,000 people in the Coliseum and hundreds of youngsters outside wanting to come in.

Wykoff is a former USC and Olympic star and Rev. Towler is a former Ram football great.

PAPEETE, TAHITI — These are the warm, blue sea days of "winter" in Tahiti. Shirts and shorts and sandals weather. The breeze is cool under a thatch roof, smelling faintly of flowers and salt water. In the evening, the falling sun fills the sky with gold behind the black peaks of Moorea across the channel.

Four-and-a-half hours south of Honolulu. Seven-and-a-half from Los Angeles. Service by 14 jets a week to Faa airport. The French have brought their cooking to the South Seas. You'll get the best dinners in the Pacific in the islands of Polynesie Française.

A launch runs each morning to Moorea, 40 miles away. The outer islands are an hour

passport to pay with a personal check.) Guerlain perfumes are only sold in Guerlain shops. Tourist shops stock all others. Best selections are within a block of American Express.

"Must we pay duty on it?" Not if it is within the \$100 worth you mail perfume. But if you mail perfume, the receiver pays 19 per cent. Other gifts mailed home pay no duty if they're worth less than \$10. But this doesn't apply to perfume.

I order gift perfume from Paris or sometimes from Shannon Free Airport. Takes about a week by air mail. Catalogues are free by writing Shannon Free Airport, Ireland, Freddy, 10 Rue Auber, Paris.

French perfumes in Tahiti are about the same as Paris. They are good buys in the free ports of the Caribbean — Jamaica, Virgin Islands, Curacao, Panama. Not good in Puerto Rico or Mexico. Best buy in Tahiti is jewelry in carved pearl shell.

"... a warm island for two weeks holiday around Christmas."

Hawaii is always good at that time of year. The Caribbean is in season. Jamaica, the Virgin Islands, and Puerto Rico are most popular. They are pricey and dressy. The South Pacific islands are in the middle of the rainy season.

The French islands of Guadeloupe and Martinique might be what you would like. French flavor and language. And not as likely to be hard to get rooms.

But of all islands, at all times, there is none like Bora Bora in the Islands-Under-the-South Pacific.
